

Tuesday 5th January 2020

Dear Parents and Carers,

Please find below the arrangements for Key Worker children who will be attending school during Term 3. Do only send your child in if absolutely necessary. As well as ensuring children are safe, I also have a duty of care to the adults at WJS who need to keep themselves, and their family safe.

A few helpful points:

- Your children will be following a similar timetable to that of children who are learning at home. However, the majority of the teaching will be delivered by class teachers or support staff. Your child may not necessarily have their class teacher
- Children should wear school uniform on their top half and jogging bottoms/leggings on their bottom half. This will avoid the need to change for PE. It will be chilly in the school building because of the need to keep spaces well ventilated, so layers are highly recommended
- Children need to bring a morning snack, packed lunch and pencil case. School bags need to be small
- Children should arrive at 8:50am via main playground gates. Gates won't be opened before 8:50am
- Children should be collected by 3:15pm from the playground. Please wait in the designated year group areas for your child and respect social distancing (Year 3 the bell area, Year 4 the library wall area, Year 5 the OPAL shed area and Year 6 the football area). Respect social distancing and leave promptly upon collection
- Children will be split into a Y3/4 Bubble and Y5/6 Bubble
- Y3/4 will base themselves in Y3
- Y5/6 will base themselves in Y5
- If your child will not be at school leave a message on the absence line as normal

If your child is attending school on certain days **it is essential** for home learning to be complete on the other days. This is to ensure learning can follow the year group planning.

Finally, all of the above relies on a healthy compliment of staff, and if there are absences Key Worker provision may not be possible. If you do need us, please make contact: office@widcombejuniorschool.com or 01225 310139.

Best wishes,

Claire Taylor
